Subject: Terminal Disclaimer Fee US Appln. Serial No. 10/665,307

Why am I being charged the Large entity fee for terminal disclaimer even though I elected Small Entity on my fee calculation sheet and my client is a small entity client?

I just filed a terminal disclaimer document that had three disclaimers, and I should only have been charged 195.00 but every time I clicked on the small entity button, I was not given the small entity fee option.

Is this a flaw with the EFS web filing fee calculation sheet, and will I have to request a refund of overpayment of fees everytime this happens?
